

Sue Chyzy was born and raised in the Chicagoland area. After earning her Bachelor degree from Illinois State University, she moved across country and joined the Littleton staff in the Fall of 1988. She has taught 6th, 7th and 8th grade at Littleton and then Underdown. During that time she received a Westside Impact Teacher of the Year Award, an Arizona Educator Award and received her Master's Degree in Educational Leadership from Northern Arizona University. As Cashion grew and technology expanded, she began to develop a technology department and is now part of a team keeping Littleton connected.
