Lafayette County School District-Online Payments Now at MySchoolBucks

Getting ready for the new school year? Ready to put money on your student's meal account?

Lafayette County School Foodservices is no longer using School Payment Solutions for on-line meal account payments. We have moved over to MySchoolBucks. It's a new name and new look, but we're as committed as ever with providing you with an easy, convenient way to make meal payments.

With MySchoolBucks, you'll enjoy:

- *Mobile options for when you are on-the-go, including a smartphone app and a tablet friendly website*
- *More payment options, including e-checks*
- *Scheduled automatic payments when your child's account balance runs low*
- *Improved customer service, with e-mail, online help, and a dedicated call center to directly contact with your inquiries*
- *Enhanced security to provide even greater protection of sensitive data*
- *E-mail sent when account balance falls below amount set by parents*

To Get Started:

- *You will need to create a new account for each student in MySchoolBucks. The process is easy, simple, and takes about 5 minutes.*
- *To add students to your account, you need to enter your child's birthdate or student ID number.*
- *In addition to funding your student's meal account, you can view student meal balances and purchases on MySchoolBucks-anytime, at no cost.*
- *You will continue to pay the same transaction fee of \$ 2.50.*
